

YOU HAVE QUESTIONS?

- **Who are you?**

We are experts in recovering unclaimed funds. Our company is called Smith & Smith Real Estate. You can learn more about us online at <https://thenetworkingsecret.net> and contact us via phone at (781)956-9542 or you can even send an email to vsmithrei@gmail.com.

- **Where is my money being held?**

You can find out more about all of this in the paperwork I will send to you. What did you say was the best email to send this to? If you have any questions or concerns, please feel free to respond to the email or reach out to us at (781)956-9542. You can also text us.

- **Tell me more about these unclaimed funds.**

I'd love to, but I can't. Since we don't charge an upfront fee, I can't disclose the exact nature or location of the funds until we have a signed collection agreement. I'm sure you can understand why we'd both want certain guarantees before moving forward. We will be happy to talk to you when we connect.

- **Where did you get my phone number?**

We find contact information via internet search engines like truepeoplesearch.com for example, and we also use resources available on social media.

- **How do I know this is not a fraud?**

Well, the most obvious way to be sure this is not a scam - is that we don't charge anything in advance. You don't give us any money until we give you yours back.

- **Can't I do this on my own, why would I even need you?**

Sure you can! This is your money after all; but if you don't hire a company to do this for you - all attorney/legal fees will be your responsibility and you will need to pay all the upfront costs, incur the risk, and put in the time and work necessary to recover these funds. This is why people hire us first - because we have the experience and expertise to do it for you. And second, you don't have to spend a dime in advance.
